

CRICKET CARNIVAL

On Thursday 12 March, three teams made up of year 5/6 students participated in the Milo Blast Cricket Carnival at Kingsway Sporting Complex. In preparation the teams were practicing at recess, lunch and during sport sessions.

The boys A team, had a great start winning by forty-one points. The B team boys although losing all four games did well and had fun. The girl's team won all the games they played. Thanks to Stephanie V who ate lots of sugar to make her hit the ball really far. Overall it was an amazing fun day and everyone supported and encouraged each other, we wouldn't have wanted it any other way.

Cody was noticed by three umpires and won a Kookaburra Kit Bag worth \$150 for being a great all round player. The girls brought home the flag for winning their division. Go Girls!! Thank you to Mrs Rogers and Miss Cross for assisting their teams on the day. Also a huge shout out to Mr Boulay, we couldn't have made it this far without him. He coached us, got professional cricket players into the school to help improve our skills and let the girls drench him in water after their win.
