

BUDDY CLASSES

During buddies the Kangaroos and the kindy students have been spending time getting to know one another and learning to work cooperatively to complete a variety of different hands on activities. The year 3 students have shown great leadership skills, teaching and guiding the younger students through the different activities.

It has been great to watch the kindy students grow in confidence when playing with the older students and developing their interpersonal and social skills with their peers.

Hello MPS Community, It was wonderful to see so many of you at the Year 3 Assembly on Friday. Remember that each **assembly** is **Marangaroo Community Free Coffee** Friday, thanks to the school, so make sure you stop by for your coffee, tea or milo on us.

Wellness and Wellbeing Morning Friday 21 August 9am to 10.30am

Come, share and meet some new friends and possibly see the Chaplain joining in with the yoga. Could be a laugh: *face palm*. This is a time for YOU, our families, to come together because it feels like ages since our open night in February!

Self Talk – Your Inner Voice Matters

Leading on from my last newsletter piece about Growth mindset. As part of the School's ethos to Care, Learn, Thrive and have a growth mindset I have been helping the students in my one on one sessions and during any interactions with them. We have been thinking of ways to change how we talk with ourselves when things are tough. Basically what we say to ourselves when we look in the mirror. I would love you to come along side me in this endeavour and encourage your children too as we lead up to "Something to be Proud of Open Night" and Faction Carnival. Here are 5 Inner Voice encouragements that some of the students have chosen to use as we discussed this important topic:

1. I know this is difficult but I can do my best and give it a try.
2. I am a good friend.
3. My teacher, friends and family are here to help me.
4. I am worthy of love and care.
5. When I try something new I am brave.

I am looking forward to Book Week dress up parade this Friday! I hope you have all been able to purchase a book or two during this week. Thursdays and Fridays are my days here at school and I am always here for a chat if you ever need.
