Dear Parents/Carers,

Next Friday, weather permitting, is our Athletics Carnival. We have decided to go ahead with our planned carnival, but will have some strict hygiene and physical distancing restrictions in place. We acknowledge that these restrictions are not ideal, however it will mean we can go ahead with a carnival, where some larger schools are not able to do so. Parents and carers need to be aware of and follow the following guidelines:

- Limit of 2 adult spectators per family
- Physical Distancing including 2sqm between family groups
- Hand Sanitiser stations
- No parents to enter the faction bay tent area
- No parent gathering to take photos after a race, this will be done by the school
- Limited lunchbreak w/ Canteen open, but distancing still applies to order food/coffee
- Only one toilet block will be available for parent use (C Block)

Should the above not be followed by the community, no hesitation will be made to cancel the carnival, even if we are part way through the program. We're in a great position to hold the carnival but all community members must be on board with the regulations.

Any further questions please contact either Taylor Webb or Chris Boulay via email:

Christopher.Boulay@education.wa.edu.au

Taylor.Webb@education.wa.edu.au

Your support and following of the above rules is greatly appreciated, as having a carnival for the students is something we don't want them to miss! We are all looking forward to it

Kind regards,

Chris Boulay
